We also received some cash donations (Surgical Institute of South Dakota $100 & Drager vent sales rep. Terry Gust $150). The parties informed us we could use the money to purchase more raffle prizes as we saw fit. We have purchased a DVD player ($70), a digital camera ($130), and a George Foreman Baby Rotisserie ($60).

We are also going to be receiving a cash donation from the Avera Pulmonary Doctors and they are still trying to decide between two-dollar amounts. They have guaranteed a $500 donation, but will confirm by Monday. The cash donation will just be a direct donation to the ALA on top of our earnings from the raffle.

I am still waiting on a couple more businesses, but couldn't wait any longer to send this information to you. I apologize for it being a little late, but I wanted to know as much information as possible before I sent you the letter.
